

SUMMER REVENUE HIGHLIGHTS

Calvin's

Elisa and I brought 7 youth and joined 23 others on a service project trip to the Skatin First Nations reserve, a remote village of 100 people situated north of the tip of Harrison Lake. We built a playground for the children and renovated the dilapidated community hall. We learned about unconditionally loving a group of people different than ourselves. We saw tangible improvements in their daily life and deep rooted healing in their hearts. I loved this trip and look forward to doing it again next year.

Salvations

During the last few months, there has been 4 youth commit their lives to a new faith in Christ! I am now working hard at walking with them on their new path in life, teaching them and motivating them in growing closer in their relationship with Jesus and loving people.

Lifeteams School of Urban Youth Outreach

I feel privileged to be able to work once again with two Lifeteams Interns. I will be training them in hands-on youth work/ministry in Mission Secondary School programs, youth small groups, and one-on-one mentoring.

Jessica is from Mission and is excited to see what God has in store for her this year working with me and the youth. When she was younger, she was involved in many of my youth programs.

Courtenay is from East Vancouver. Although straight from highschool, she has a lot of experience working with youth from being a camp counsellor at Anvil Island Summer Camp.

CREDENTIALING CEREMONY IN EDMONTON

I got credentialed!!

After 3 years of training, I am now a fully certified Youth Unlimited youth worker. I am proud of this accomplishment and relieved that the long essays and studying late at night are over.

Depth of Relationships at Station X

Our "Station X" alternative youth church has gone through many changes in the last 5 years. This summer confirmed many answers in a new direction for Station X. Our numbers are lower than before, but the relationships and community is so much deeper. I have been seeing the youth grow in leaps and bounds this year in their maturity in life and faith. Most evenings' scripture discussions are now lead by the participants. This is discipleship.

Baptisms

Next month, I will be helping to baptize some of my youth. There are 5 youth who are proceeding with this public declaration of their new life.

I have been "short chequed" for the first time.

What does this mean???

Donations have been low. My monthly salary for October has been cut short. Since you are an integral part of this youth ministry, it is important for you to know. Please pray and consider how you may help.
