RECENT ACTIVITY

- Calvin tagged photos from last week's Edge Youth event.
Calvin is attending a meeting of the chiefs of the In-SHUCK-ch Nation regarding Project Playground.

One young man that I've been reaching out to for over 6 years has FINALLY given his life to Jesus and is experiencing a life of peace and sanity in the midst of chaos.

When I first met him he was 15 and homeless, begging for food on the streets of Mission. We had lunch together and a friendship began. He's been coming to Station X since then.

August 15 - 21 Summer 2010- Service Project to First Nations Reserve

Project Name: Project Playground

Participants: Mission Youth Unlimited; The Cross Current Church (TXC), Mission Friendship Centre, Mission Foursquare Church and the In-SHUCK-ch First Nation.

Proposed Project: Rebuild a children's playground and do critical repairs throughout the communities of Skatin, Port Douglas and Baptiste.

Last year, this trip turned out to be the most exciting service projects that I've been a part of. This year promises to be even better for myself and all the youth I bring along.

Please consider how you may help us with this project. We are in need of finances to help send our youth on this trip. The cost is \$175 per person which covers food and transportation.

May Long Weekend

21 - 23

Project Name: Historymaker 2010

Participants: 13 youth plus me.

Event Recap: I've been taking youth to this event for many years. This year was especially memorable since 2 youth committed their lives to Christ for the first time!!!!

Please pray for the lives of these youth as they devote their lives to living the call that God has on their lives to spread the transforming love that they have now experienced.
