

## Highlights of this past year

- Salvations and re-dedications throughout the year!
- Preached on Spiritual Disciplines at church
- Established a weekly prayer ministry with a friend for our ministries
- Cooperative ministry with Street Hope
- Took on the role of Social Media Officer within Greater Vancouver Youth Unlimited
- Increased one-on-one ministry with special needs youth, including a weekly bible study
- Doubled the number of participants in Project Playground in the Skatin Reserve
- A youth volunteer team established at Edge Youth
- One of my former Life Team students has been hired on staff to work alongside me

## Projected Opportunities in the new year

- Volunteer Leader Training at Edge Youth which will enable our leadership team to operate in their individual strengths so we're more effective
- A new Job Skill Training Program for at-risk youth, building small space planter boxes
- A new baking and drama program in collaboration with a new staff member
- FULL TIME! I'm really feeling lead by God to do more mentoring, more one-on-one prayer and counseling sessions with the youth, more discipleship training. And to do this, I know I need to recruit more financial support to free me from my other jobs and therefore devote more time to these needs. I'd like to ask if you'd consider helping me achieve this by partnering with financial support.
